

## Daniela Fietta

### Project Management Specialist, CN

Daniela Fietta is the External Relations Lead for CN's Women's Employee Resource Group (ERG) and a member of other ERGs and CN's IT Diversity Council. She joined CN's IT Department in 2018 and is currently supporting the cloud team as they drive CN's cloud transformation and modernization in partnership with Google.

Before CN, Daniela worked at a mobile app startup and in the translation industry for several years. Daniela is passionate about wellbeing and making a difference for underrepresented

groups. She believes in creating a culture where everyone can thrive in their authenticity.
