

Shundrekia Stewart

Director of Sales
Trinity Industries

Shundrekia is currently Director of Sales at Trinity Industries based in Dallas, TX. She joined the company in 2019 and is responsible for building relationships, originating sales transactions on Trinity Rail products and services to end user customers, and maximizing revenue while generating new business opportunities in the Energy, Construction Products, and Metals business segment.

Prior to joining Trinity, Shundrekia worked at BNSF Railway for 20+ years in a variety of roles. In her last position at BNSF, she was Director Public-Private Partnerships leading cross-functional development and execution of infrastructure projects positioned for public funding, managing relationships with public agencies and other stakeholders for BNSF's TransCon Corridor. She has served on regional, state freight advisory committees, and also on the National Academies Transportation Research Board Freight Rail Transportation Committee.

She is an experienced leader with extensive knowledge in rail, surface transportation, infrastructure financing, sales, supply chain management, customer service, and public-private partnerships (PPP).

Shundrekia graduated from the University of Kansas with a double major -Bachelor of Arts in Communications & Human Resources and from National Louis University with a Masters of Science Business, Management & Marketing degree. She resides with her family in Keller, TX.
