

Shundrekia Stewart

Vice President, Downstream & Chemicals
Trinity Industries

Shundrekia is currently Vice President Sales at Trinity Industries based in Dallas, TX. She joined the company in 2019 and is responsible for building relationships, selling rail supply chain products and service offerings, while delivering a differentiated customer experience for strategic accounts in the Downstream & Chemicals business segment.

Prior to joining Trinity, Shundrekia worked at BNSF Railway for over 20 years in a variety of roles. In her last position at BNSF, she was Director Public-Private Partnerships leading cross-functional development and execution of infrastructure projects positioned for public funding, managing relationships with state and federal agencies and other stakeholders for BNSF's TransCon Corridor. She has served on regional, state freight advisory committees, and also on the National Academies Transportation Research Board Freight Rail Transportation Committee.

She is an experienced leader with extensive knowledge in rail, surface transportation, infrastructure financing, sales, supply chain management, customer service, and public-private partnerships (PPP).

Shundrekia graduated from the University of Kansas with a double major -Bachelor of Arts in Communications & Human Resources and from National Louis University with a Master of Science Business Management & Marketing degree. She resides with her family in Keller, TX.
